

URC joins in with BBC Get Baking campaign

The United Reformed Church has joined with the BBC in it's Get Baking campaign, and is urging church members to get their aprons on, their recipes books out, and to bake, sell and eat delicious cakes to raise funds for Children in Need.

If you've been following The Great British Bake Off television series, you'll have learnt all sorts of tips, tricks and some of the history behind our favourite home made munchies, so why not try it for yourself?

Better still, why not try it for others – it's a great way to raise money for a good cause like Children in Need. For inspiration and information go to www.bbc.co.uk/food and click on Get Baking, to order Get Baking booklets email us at GetBaking_Communities@bbc.co.uk or find us on facebook search BBC Get Baking.
